

Staff and Screenings

- The office is closed to customer traffic until further notice. Payments must be made online by a credit card through your parent portal or with the credit card you have on file for automatic monthly payments. Communication will be through phone and email.
- Staff and athlete screening instructions sign are posted at the facility entrance asking screening questions. Please be honest! If the answer is yes to any of the above questions you are required to leave the premises.
- All staff will check their temperature before coming to work.
- All staff must wear a facemask while in the building unless there is a medical condition which prevents them from doing so.
- Any customer or staff member who does not feel comfortable returning to the gym is not obligated to do
- Families living or in contact with high-risk individuals are asked not to enter the facility.
- Staff will practice social distancing measures at all times while in the facility.
